

ANGELINI
UNIVERSITY
AWARD 17/18

LIVING WITH SERIOUS MENTAL ILLNESS

Angelini Farmacêutica launches the 9th edition of the
Angelini University Award! 2017/2018,
under the motto **Living with Serious Mental Illness**.

This contest aims to stimulate the creativity and innovation
of Portuguese university students.

WHAT IS AUA!^{17/18}?

It's a competition designed for undergraduates, postgraduates or master students. Participants are challenged to develop projects related to Serious Mental Illness, while putting into practice the knowledge they have acquired.

WHAT IS THE BENEFIT TO PARTICIPATE?

1ST PLACE

5.000 € participants;
2.000 € professor, if applicable;
1.000 € project advisor, if applicable.

2ND PLACE

2.500 € participants;
1.000 € professor, if applicable;
500 € project advisor, if applicable.

All participants receive a participation diploma.

The 15 best projects are invited to participate in the awarding ceremony, where they will have the opportunity to pitch to a panel of expert juries and entities related to the Health Sector.

WHAT IS THE DURATION OF THE AUA!^{17/18}?

The applications phase begins in February of 2018, where communication and promotion actions will be taking place at universities and polytechnic institutes.

Applications until 14th of March of 2018

Delivery of project until 14th of June of 2018

HOW TO PARTICIPATE?

To apply, fill out the online application at <https://aua.pt/en/aua-applications-en/> and send scanned copies of a proof of university enrollment of all the members of the group to internet.aua@angelini.pt.
